SUBJECTS OF EXAMINATION: There will be a written, multiple-choice test which you must pass in order to be considered for appointment. Candidates must pass the written test in order to be scheduled for the qualifying physical fitness test.

WRITTEN EXAMINATION: A written test designed to evaluate knowledge, skills, and/or abilities in the following areas:

1. Applying written information (rules, regulations, policies, procedures, directives, etc.) in police situations

These questions test for the ability to apply written rules in given situations similar to those typically experienced by police officers.

2. Memory for facts and information

These questions test for the ability to remember facts and information presented in written form. You will be given 5 minutes to read and study the information in the Memory Booklet. After the 5-minute period, the Memory Booklet will be taken away. You will then be required to answer questions about the material that was presented in the Memory Booklet.

3. Reading, understanding and interpreting written information

These questions test for the ability to read, understand, and interpret the kinds of written information that police officers are required to read during their formal training period and on the job.

4. Preparing written material in a police setting

These questions test for the ability to prepare the types of reports that police officers write. You will be presented with a page of notes followed by several questions. Each question will consist of four restatements of the information given in the notes. From each set of four, you must choose the version that presents the information most clearly and accurately.

The rating key for this examination will be established by the New York State Civil Service Commission prior to the date of the test, upon recommendation of a committee of police experts who will review all the questions for appropriateness and the key answers for correctness. There will be no review of the questions by candidates. This committee was selected with the assistance and endorsement of the Police Conference of New York, Inc., the New York State Association of PBA's, Inc., and the New York State Association of Chiefs of Police, Inc

The use of calculators is **PROHIBITED** for this examination, as is the use of books or other reference materials.

A Guide for the Written Test for Police Entrance is available at the New York State website: www.cs.ny.gov/testing/localtestguides.cfm . Candidates not having access to a computer or the internet may request copy of the test guide from Steuben County Civil Service.

QUALIFYING (PASS/FAIL) PHYSICAL FITNESS TEST: The *Qualifying Physical Fitness Test* will be scheduled at a later date *only for candidates who pass the written exam.*

The three elements measured in the qualifying physical fitness test are muscular endurance, absolute strength, and cardiovascular capacity. The following is a brief description of the physical fitness test.

Muscular Endurance

The requirement is for a number of bent-leg sit-ups to be performed in one minute.

Push Up

This test measures muscular endurance of the upper body (anterior deltoid, pectorals major, and triceps).

The requirement is for a number of full body repetitions that a candidate must complete without breaks.

Cardiovascular Activity

1.5 mile run; the requirement is for the attainment of a score calculated in minutes and seconds.

The Municipal Police Training Council adopted the physical fitness-screening test based on the model formulated by the Cooper Institute of Aerobics Research. Minimum passing scores, depending on age/sex, represent the fortieth (40th) percentile of physical fitness as established by the Cooper Institute.

Failure on any part of the physical fitness test will remove a candidate's name from further consideration for appointment, and there will be **NO OPPORTUNITY FOR RETEST.**

Candidates who pass the qualifying physical fitness test and who are given a conditional offer of employment will be scheduled to take the required medical examination in accordance with the recommendations as established by the Municipal Police Training Council. These recommendations include clinical tests (urinalysis, electrocardiogram, 10-panel drug screening, and tuberculosis and chest x-ray if deemed necessary by the examining physician); vision check (20/100 in each eye uncorrected, corrected to 20/30 in each eye); color vision check; hearing test; and comprehensive physical examination. **The existence of a potentially disqualifying condition shall NOT preclude the examining physician from determining that the candidate is able to perform the essential job functions of an entry-level police officer, with or without reasonable accommodations.**

Further details regarding the physical agility and medical standards can be obtained from our office.

\$25 APPLICATION FEE: NO CASH ACCEPTED.

The New York State Civil Service Law requires our Office to collect an application fee. The amount of the fee is **twenty-five dollars (\$25) per applicant for EACH examination** applied for. Fee must be submitted with the application form, **by check (personal or certified) or money order**, payable to "**Steuben County Finance.**" You must record the EXAMINATION NUMBER(S) and TITLE(S) on your CHECK.
