

STEUBEN COUNTY
NEW YORK

Agricultural & Farmland Protection Plan

Updated Draft Plan Now Available

Comments Due by June 8, 2015

The Steuben County Draft Agricultural and Farmland Protection Plan has been updated and is available for your review. Comments on the draft are due by **June 8, 2015** and can be submitted to Amy Dlugos at amy@co.steuben.ny.us

To access the plan, please visit: <http://farmplan.steubencony.org/>

In 2014 the County partnered with the Steuben County IDA and Cornell Cooperative Extension to prepare an update to the 2002 County Farmland Plan. The Plan Update looks at many aspects of the agricultural industry in Steuben County, considering farmland protection, impacts of farming and related businesses on the local economy, quality of life, tourism, education and opportunities to leverage the agricultural industry to support future economic development initiatives.
