Work is performed under the direct supervision of the Court Security Supervisor with some leeway allowed the incumbent for the exercise of independent judgment in carrying out duties as long as they are performed within established guidelines and according to standard operating procedures. Supervision of subordinates is usually not a feature of this class of positions. Does related work as required.

**SUBJECTS OF EXAMINATION:** A written test designed to evaluate knowledge, skills, and/or abilities in the following areas:

**1. Applying written information (laws, rules, regulations, procedures, etc.) in civil law enforcement and court-related situations**

These questions test how well you can apply written information, in the form of rules, to given situations similar to those typically encountered by civil law enforcement employees, court attendants, and court security officers. All information needed to answer the questions is contained in the rules, regulations, etc., which are cited.

**2. Following directions (maps)**

These questions test your ability to follow physical/geographic directions using street maps or building maps. You will have to read and understand a set of directions and then use them on a simple map.

**3. Preparing written material**

These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

**4. Public contact principles and practices**

These questions test for knowledge of techniques used to interact with other people, to gather and present information, and to provide assistance, advice, and effective customer service in a courteous and professional manner. Questions will cover such topics as understanding and responding to people with diverse needs, perspectives, personalities, and levels of familiarity with agency operations, as well as acting in a way that both serves the public and reflects well on your agency.

**Candidates are RECOMMENDED to use quiet, hand-held, solar or battery powered calculators.**
