SALARY: \$40,691 - \$48,827 Annually

VACANCIES: The Eligible List resulting from this examination will be used to fill any appropriate vacancies that may occur in this title during the life of the list.

NOTE: An open-competitive examination for this title will be held at the same time as this promotion examination. However, the eligible list resulting from the promotion examination will be utilized *first* for filling available vacancies. In accordance with Rule 13.4 of the Steuben County Civil Service Rules, "An employee who is a candidate in a promotion examination for a title unique to a department or is a candidate in an intergovernmental promotion examination shall not be eligible to enter additionally an open competitive examination held at the same time for the same title."

MINIMUM QUALIFICATIONS: POSSESSION OF THE MINIMUM QUALIFICATIONS MUST BE **CLEARLY DEMONSTRATED ON YOUR APPLICATION.** Candidates must have served, and be currently serving, in the Department of Social Services on a permanent Competitive Class basis, for at least one (1) year as a Senior Social Welfare Examiner or for at least two (2) years as a Social Welfare Examiner.

SPECIAL REQUIREMENT(S): Possession of an appropriate New York State motor vehicle operator's license at the time of appointment.

DISTINGUISHING FEATURES OF THE CLASS: The work involves responsibility for the investigation of individuals and vendors in connection with welfare fraud and support of welfare recipients. This position involves research and field investigation of individuals and vendors in cases where there is allegation or suspicion of improper amounts of payments, failure to make support payments, and attempted or actual welfare fraud. Incumbents are responsible for gathering evidence and documentation, including individual's statements, to develop legally acceptable cases. The work includes attempts to persuade defaulters to make payment and negotiating or renegotiating agreements according to changing personal and financial situations. The work is performed under general direction with broad discretion permitted in carrying out the details of the work.

SUBJECTS OF EXAMINATION: A written test designed to evaluate knowledge, skills, and/or abilities in the following areas:

1. Evaluating information and evidence

These questions test for the ability to evaluate and draw conclusions from information and evidence. Each question consists of a set of facts and a conclusion based on the facts. The candidate must decide if the conclusion is warranted by the facts.

2. Investigative techniques

These questions test for knowledge of the fundamental concepts in the area of field investigation. The questions will cover such areas as: obtaining the cooperation of individuals involved in an investigation, preparing for the investigation and/or interview, investigative principles, interviewing principles and practices, behavior and attitudes of the investigator and others, gathering of data and evidence, and presenting the results of an investigation.

Many of the questions are situational in nature and attempt to measure the candidate's ability to apply basic investigative techniques. The questions are generic rather than dealing with investigations in a particular field.

3. Preparing written material

These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

4. Understanding and interpreting written material

These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions only on what is presented in the passages and not on what you may happen to know about the topic.

Candidates are ALLOWED to use quiet, hand-held, solar or battery powered calculators.

A Guide for the Written Test for Investigators is available at the New York State website: www.cs.ny.gov/testing/testguides.cfm or from the Steuben County Civil Service Office.

SENIORITY POINTS: Rating of seniority is based on service starting with the time of original entry in the permanent classified service of the government unit in which promotion is sought. Points will be added to an eligible score as follows:

1 year up to 6 years _____	1 point
