WHEREAS, on April 10, 2017, Governor Cuomo signed into law “Raise the Age” legislation that was included as part of the State Budget; and

WHEREAS, under “Raise the Age,” no 16- or 17-year-old will be sentenced to or detained in a facility with adults; youth whose cases are heard in Family Court will be detained or placed in OCFS-operated, OCFS-licensed, or ACS facilities (including Close to Home), as Juvenile Delinquents currently are; while Adolescent Offenders who are detained pre-trial will be held in a specialized secure juvenile detention center for older youth, which will be certified and regulated by OCFS in conjunction with the state commission of correction; and

WHEREAS, these “Raise the Age” detention provisions will create challenges for the counties of New York State, with an anticipated shortage of available beds, specifically in the Finger Lakes region; and

WHEREAS, County Law §218-a authorizes a contract between one or more counties providing for the joint establishment, operation and maintenance by such counties of a joint county detention facility; and

WHEREAS, eleven counties in the Finger Lakes region have met over the past several months to review options for detention; and

WHEREAS, these partner counties are desirous of beginning the process of forming a local development corporation for exploring detention facilities and services; and

TITLE: ESTABLISHING ENERGY BENCHMARKING REQUIREMENTS FOR CERTAIN STEUBEN COUNTY OFFICE BUILDINGS.

WHEREAS, buildings are the single largest user of energy in the State of New York. The poorest performing buildings typically use several times the energy of the highest performing buildings for the exact same building use; and

WHEREAS, collecting, reporting, and sharing building energy data on a regular basis allows municipal officials and the public to understand the energy performance of municipal buildings relative to similar buildings nationwide, and equipped with this information the County is able to make smarter, more cost-effective operational and capital investment decisions, reward efficiency, and drive widespread, continuous improvement; and

WHEREAS, the Steuben County Legislature desires to use Building Energy Benchmarking - a process of measuring a building's energy use, tracking that use over time, and comparing performance to similar buildings - to promote the public health, safety, and welfare by making available good, actionable information on municipal building energy use to help identify opportunities to cut costs and reduce pollution in the County; and

WHEREAS, the County Legislature desires to establish procedure or guideline for County staff to conduct such Building Energy Benchmarking.

NOW THEREFORE, IT IS HEREBY

RESOLVED AND DETERMINED, that the following specific policies and procedures are hereby adopted;

BUILDING ENERGY BENCHMARKING POLICY/PROCEDURES

§1. DEFINITIONS

(A) "Benchmarking Information" shall mean information generated by Portfolio Manager, as herein defined including descriptive information about the physical building and its operational characteristics.

(B) "Building Energy Benchmarking" shall mean the process of measuring a building's Energy use, tracking that use over time, and comparing performance to similar buildings.

(C) "Superintendent" shall mean the head of the Department.

(4) "Covered Municipal Building" shall mean a building or facility that is owned or occupied by the County that is 1,000 square feet or larger in size.

(5) “Department” shall mean the Buildings and Grounds Department.

(6) “Energy” shall mean electricity, natural gas, steam, hot or chilled water, fuel oil, or other product for use in a building, or renewable on-site electricity generation, for purposes of providing heating, cooling, lighting, water heating, or for powering or fueling other end-uses in the building and related facilities, as reflected in Utility bills or other documentation of actual Energy use.

(7) “Energy Performance Score” shall mean the numeric rating generated by Portfolio Manager that compares the Energy usage of the building to that of similar buildings.

(8) “Energy Use Intensity (EUI)” shall mean the kBtUs (1,000 British Thermal Units) used per square foot of gross floor area.

(9) “Gross Floor Area” shall mean the total number of enclosed square feet measured between the exterior surfaces of the fixed walls within any structure used or intended for supporting or sheltering any use or occupancy.

(11) “Portfolio Manager” shall mean ENERGY STAR Portfolio Manager, the internet-based tool developed and maintained by the United States Environmental Protection Agency to track and assess the relative Energy performance of buildings nationwide, or successor.

(12) “Utility” shall mean an entity that distributes and sells Energy to Covered Municipal Buildings.

(13) “Weather Normalized Site EUI” shall mean the amount of Energy that would have been used by a property under 30-year average temperatures, accounting for the difference between average temperatures and yearly fluctuations.

§2. APPLICABILITY

(1) This policy is applicable to all Covered Municipal Buildings as defined in Section 2 of this policy.

(2) The Superintendent may exempt a particular Covered Municipal Building from the benchmarking requirement if the Superintendent determines that it has characteristics that make benchmarking impractical.

§3. BENCHMARKING REQUIRED FOR COVERED MUNICIPAL BUILDINGS

(1) No later than December 15, 2018, and no later than December 15 every year thereafter, the Superintendent or his or her designee from the Department shall enter into Portfolio Manager the total Energy consumed by each Covered Municipal Building, along with all other descriptive information required by Portfolio Manager for the previous calendar year.

(2) For new Covered Municipal Buildings that have not accumulated 12 months of Energy use data by the first applicable date following occupancy for inputting Energy use into Portfolio Manager, the Superintendent or his or her designee from the Department shall begin inputting data in the following year.

§4. DISCLOSURE AND PUBLICATION OF BENCHMARKING INFORMATION

(1) The Department shall make available to the public on the internet Benchmarking Information for the previous calendar year:

- (a) no later than April 1, 2019 and by April 1 of each year thereafter for Covered Municipal Buildings;
- and

(2) The Department shall make available to the public on the internet and update at least annually, the following Benchmarking Information:

- (a) Summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information; and
- (b) For each Covered Municipal Building individually:
 - (i) The status of compliance with the requirements of this Policy; and
 - (ii) The building address, primary use type, and gross floor area; and

- (iii) Annual summary statistics, including site EUI, Weather Normalized Source EUI, annual GHG emissions, and an Energy Performance Score where available; and
- (iv) A comparison of the annual summary statistics (as required by Section 5(2)(b)(iii) of this Policy) across calendar years for all years since annual reporting under this Policy has been required for said building.

§5. MAINTENANCE OF RECORDS

The Department shall maintain records as necessary for carrying out the purposes of this Policy, including but not limited to Energy bills and other documents received from tenants and/or Utilities. Such records shall be preserved by the Department for a period of three (3) years.

§6. ENFORCEMENT AND ADMINISTRATION

(1) The Superintendent or his or her designee from the Department shall be the Chief Enforcement Officer of this Policy.

(2) The Chief Enforcement Officer of this Policy may promulgate regulations necessary for the administration of the requirements of this Policy.

(3) Within thirty days after each anniversary date of the effective date of this Policy, the Chief Enforcement Officer shall submit a report to the Legislature including but not limited to summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information, a list of all Covered Municipal Buildings identifying each Covered Municipal Building that the Superintendent determined to be exempt from the benchmarking requirement and the reason for the exemption, and the status of compliance with the requirements of this Policy.

§7. EFFECTIVE DATE

This policy shall be effective immediately upon passage.

§8. SEVERABILITY

The invalidity or unenforceability of any section, subsection, paragraph, sentence, clause, provision, or phrase of the aforementioned sections, as declared by the valid judgment of any court of competent jurisdiction to be unconstitutional, shall not affect the validity or enforceability of any other section, subsection, paragraph, sentence, clause, provision, or phrase, which shall remain in full force and effect.

AND BE IT FURTHER RESOLVED, that certified copies of this resolution, shall be forwarded to Amy Dlugos, Planning Director and Eric Rose, Superintendent of Buildings & Grounds.
