Chairman Hauryski stated he would like to personally thank Mr. Van Etten, as Chair of the Finance Committee, along with Budget Officer, Jack Wheeler; Deputy County Manager, Chris Brewer and all of the department heads. This was not a good year for a budget with New York State continually handing us more work with no dollars attached. He thanked everyone for a fine job.

Mr. Van Etten stated one of the most telling things was when Mr. Wheeler presented the graphs from Chemung County showing the comparisons for debt and fund balance. This is proof that we are in good shape financially. A system was put into place prior to us for replacing Fund Balance with revenues and unspent dollars and that is a good practice. It allows us to be flexible and reactive to unforeseen issues that the State hands down. It is good to be in that comfort spot. This Legislature did a good job of monitoring that.

Chairman Hauryski stated all of the department heads deserve a lot of credit. You keep us within budget and try to save us money and we really appreciate that.
